

## DIPLOMA OF BEAUTY THERAPY

### Includes Certificate III in Beauty Services

CRICOS Pending, Course SIB50110, CRICOS Pending, Course SIB30110

This qualification develops student's skills in a range of beauty therapy treatments and services, which include facial massage, body massage, hair removal, spa treatments, lash and brow treatments, nail technology services, makeup, aromatherapy, providing advice on beauty treatments and services, selling retail skin care and cosmetic products and developing treatment plans.

Students are prepared to work as skilled beauty therapists in salons, spas and in the wider beauty industry. Students learn to work with a high level of personal responsibility and autonomy in performing complex technical operations. Students gain practical experience through commercially operated salons and complete 240 hours supervised work under the guidance of a therapist.

Chisholm's excellent training facilities, complete with modern technology, provide an ideal hands-on education environment. Students gain valuable experience in Chisholm's fully operational beauty salons, open to students, staff and the broader community. This gives students real world work experience, boosting confidence and reinforcing skills, as well as the opportunity to hone customer service. Certificate III in Beauty Services can be taken alone as a 9 month course, taken at the Dandenong campus. The course offers articulation arrangements to the Bachelor of Health Science - Dermal Therapies in conjunction with Victoria University.
