Overview

This course incorporates all genres of makeup with an emphasis on special effects including prosthetics, styling of hair and wigs for film, TV and stage. There is a strong emphasis on creative, technical and management skills, to plan, carry out and evaluate work in the makeup industry. Students will develop a portfolio of work which includes day, evening, bridal and fashion makeup as well as casualty effects, character creation and hair application.

The course incorporates the latest trends, technologies and techniques in makeup artistry and business management. Classes are practical and hands on, taught by passionate and experienced teachers. Graduates can apply for roles in makeup design or special makeup effects in film and television.

- Design, apply and remove period makeup
- Day makeup
- Evening makeup
- Bridal makeup
- Period makeup
- Body painting
- Stage and morphology
- Film and television makeup
- Create prosthetics for special makeup effects
- Provide services on a freelance basis
- Style wigs and hairpieces for performances or productions
- Design and apply specialised makeup
- Design and apply makeup for photography
- Capture a digital image

This course provides the highest qualification in hairdressing, and is suited to students wishing to pursue more senior hairdressing roles. Students develop skills in cutting, colour, perming and design, as well as management skills in recruiting and managing staff, business and financial planning. You will learn both theory and practical skills in a simulated salon at Chisholm. Employment opportunities include: stylist roles for salons, film, stage, television, magazines or working on a luxury cruise ship. Your career can advance to setting up your own business, managing a salon, or teaching within the hairdressing industry.

Students gain practical experience through commercially operated salons and complete 240 hours supervised work under the guidance of a therapist.

Chisholm's excellent training facilities, complete with modern technology, provide an ideal hands-on education environment. Students gain valuable experience in Chisholm's fully operational hairdressing salon, open to students, staff and the broader community. This gives students real world work experience, boosting confidence and reinforcing skills, as well as the opportunity to hone customer service. Being a Pivot Point accredited school ensures we have the latest in educational resources, and are consistently at the forefront of industry developments and change.
