**DIPLOMA OF
HAIRDRESSING
SALON
MANAGEMENT**

The good environment and independence of studying were some of the reasons that Nono decided to come to Australia and study at Chsiholm.

An interest in hair and beauty makes the study enjoyable and the teachers are supportive and friendly. "I love hair cutting and colour," says Nono "I can be creative and give my customers confidence and make them feel different and beautiful".

Nono hopes her studies will take her far. She wants to continue working in this industry here in Australia and one day manage her own hairdressing business.
